

Team Judging

Judging will consist of the top 4 best placing athletes on a team. The athletes will accumulate points by the following methods:

The athlete will only receive a team point if they place within the top 4 of each event.

4th place will receive **1 point**

3rd place will receive **2 points**

2nd place will receive **3 points** and

1st place will receive **5 points** (bonus point for winning event)

If an athlete “Zeros” an event (meaning they do not complete at least one lift), they do not receive any team points, even if they place 3rd or 4th in the event.

Example: If Magnus Von Strongmanorwoman Places 1st, 3rd, 5th, and 2nd in their respective events than he/she will received

5 points for the 1st event,

2 points for the 2nd,

0 for the 3rd and

3 for the 4th,

Creating a total of **10 points**. The highest 4 cumulative totals for each team will then be added up to see who the winner is!
